8. Breeder agrees to contact the Mare Owner should Breeder feel that medical treatment is needed for the Mare and/or foal. If the Breeder is unable to contact the Mare Owner within a reasonable time, Breeder is authorized to perform emergency veterinary care by a licensed veterinarian. The cost of such care is the sole responsibility of the Mare Owner.
9. The Agreement will be construed in accordance with the laws of the State of Oklahoma and all actions with respect to this Agreement will be instituted in a court located in Wagoner County, Oklahoma, and the Mare Owner submits to the jurisdiction (both subject matter and personal) of such court and waives any objection to the venue.
10. This Agreement, when signed by the Mare Owner, Breeder and Stallion Owner and accompanied by payment of the farm fee, shall be a binding contract on all parties on the above terms and conditions. The Agreement may be executed in any number of counterparts which shall be considered a single contact.
